

# SPT 2026 - Symmetry and Perturbation Theory

## pre-Registration form<sup>1</sup>

Family name: \_\_\_\_\_

First Name: \_\_\_\_\_

E-mail address: \_\_\_\_\_

Affiliation: \_\_\_\_\_

\_\_\_\_\_

Professional status: \_\_\_\_\_

Will you present a communication? (please tick one)

- Regular talk (invited only)
- Contributed talk
- No talk

Title: \_\_\_\_\_

\_\_\_\_\_

Reference (if any) preferably to an arXiv item:

\_\_\_\_\_

(an abstract will be required at a later time, but you may send it now if you wish)

Special requirements & needs (e.g. dietary restrictions, health issues...)

---

<sup>1</sup> To be mailed at: [spt@sptspt.it](mailto:spt@sptspt.it) with subject “registration”

The infos below can be sent in at a later time; if you are interested in the bus transfer from Fiumicino to Tarquinia (NB: the bus would necessarily leave people outside city walls) send the info about travel by MARCH 31 at the latest.

---

Will you travel by flight to Rome Fiumicino?

Are you interested in a collective bus transfer?

How long are you ready to wait in the airport to get a collective bus?

(Note: there is a regular train service from the airport to Tarquinia; this requires to change train in Roma Trastevere. Trains run from Airport to Roma Trastevere every 15 minutes, from Roma Trastevere to Tarquinia every hour after twelve.)

Expected landing time:

Are you planning to reach Tarquinia or the Rome area by some other means?

In this case please tell us and give details.
